

LOCATION: Colorado Springs, CO
Authorized to work in U.S.

JOB FIELD: Graphic Designer
Creative Director

TYPE OF WORK: Contract/Freelance

Objective

I am seeking challenging new freelance design assignments and looking forward to building strong relationships with new clients.

Experience

Senior Designer

Special Effects Design, Colorado Springs, CO 06/1999 - present

I am responsible for the design (from concept through finish) of a wide variety of products, including brochures, menus, posters, and hard goods. I create logos, trade show displays and graphics, books and book covers.

Freelance Designer

Several Clients Colorado Springs, CO 10/1998 - present

I work with several clients on long and short-term projects such as newsletters, programs, and presentations. Clients include The Colorado Springs Senior Center, Colorado Springs Utilities, Broad Street Productions (on-site PowerPoint presentations) and Windhorse Communications

Digital Designer, Tech Design Manager

Current, Inc. Colorado Springs, CO 9/1989 – 10/1998

Positions at Current included freelance paste-up artist, manager of Technical Design Department, manager of Licensing Department, and Senior Digital Designer. At Current, I designed a national award winning calendar, along with complex 3-D products, books, gift wrap, hard goods. Excellent communication skills and attention to detail were critical.
